I'm a Computer Science student with a knack for web development (HTML, CSS, Tailwind CSS) and e-commerce optimization (Shopify). I excel in digital marketing, specializing in Facebook and TikTok advertising. My photography skills complement my creativity. Proficient in Adobe Creative Suite, Google Analytics, and Microsoft Office Suite, I thrive in dynamic environments and am eager to contribute.

EXPERIENCE

NOW **Web Development**

I am skilled in HTML, CSS, JavaScript, and PHP. These languages enable me to design visually appealing and responsive websites while also providing dynamic functionality and interactivity. My expertise spans both front-end and back-end development, allowing me to create seamless, user-focused web experiences.

2022-2022 **E-COMMERCE**

Passionate about the world of online retail, I have a strong interest in e-commerce and its potential. I'm eager to contribute to the dynamic field of digital commerce and help businesses thrive in the online marketplace

2023 **FACEBOOK MAKETING**

Proficient in harnessing the power of Facebook's advertising platform, I specialize in crafting and executing effective Facebook marketing campaigns.My expertise includes audience targeting, ad creative development, and ongoing campaign optimization to maximize ROI and brand visibility on this influential social media platform.
